Dear Matt and Cody,

Thank you for serving as President and Committee Chair for the Professional and Scientific Council. You and all the members of the P & S Council provided great leadership and service. Your commitment to excellence is valued and is important to the UNI community.

I appreciate the P&S Council's recommendation regarding the distribution of funds available for salary increases for the coming year. I am recommending a 1.5% increase for non-annual appointments distributed as follows, 1% across-the-board to P&S employees who have been rated satisfactory or above, and 0.5% to be distributed based on meritorious performance. Salary increases are subject to approval by the Board of Regents, State of Iowa. We anticipate that salary letters will be sent to employees no later than the third week of June.

Again, thank you for your leadership and service. I wish each of you continued success in the future.

Sincerely,

  
Mark A. Nook  
President
