Moving forward with in person commencement ceremonies. Continuing with Provost search, anticipating interviews to begin by the end of April or beginning of May. Be on alert for Zoom bombing, refer to recent email sent out with tips and practices to prevent future threats.

V. **HRS Report – Michelle Byers**

Everyone was sent a vaccine survey via email in order to get a better idea on numbers of vaccine’s needed on campus. Clinics will start next week for students, faculty and staff. Be on the lookout for an email with registration instructions. When scheduling first vaccine dose, be sure you will be available exactly 3 weeks later for the second dose. Departments need to prepare for coverage if absences from vaccine appointments or vaccine side effects should occur. Effective April 1st, 2021, the American Rescue Plan Act allows employers to offer an updated 80 hours of paid COVID leave time that can be used for time missed due to receiving the vaccine, and also for any side-effect related leaves caused by the vaccine. If you received a vaccine prior to April 1st, this time cannot be coded as COVID sick leave.
