   1 seat – At Large (currently held by Rick)
b. Collective Bargaining Resolution – Cody reported that at the January 27\textsuperscript{th} UNI Faculty Call to Action meeting, the P&S Council was asked to share a statement supporting UNI Faculty. Cody read the proposed statement. After discussion, it was rewritten to also include support of AFSCME. The statement reads as follows: “The state of Iowa is facing potential changes related to the collective bargaining rights of public sector workers. These changes could have a profound impact on not only UNI faculty, but the entire university. In order to protect these rights as well as the future of UNI, the P&S Council stands with United Faculty and AFSCME in support of collective bargaining.” Matt motioned for a vote in favor of releasing the statement. The motion passed unanimously. Michelle clarified that if the bill passes, the university will not be taking away health insurance. It would mean unions won’t have the ability to negotiate premium rates. Each institution would decide on how wages are set.
